

what it is

Our Conversation Club is a safe and supportive environment where you can practise idioms, phrasal verbs, and other language elements without feeling under pressure. Club sessions take place in couples to boost your Business & General speaking skills

preparation

On the MPEC website, you'll find the vocabulary and questions for each Club Session. We are your Coaches and we know that using Idioms & Phrasal Verbs can be a real challenge - the club is a safe place to practice them without any fear of making a mistake!

ENGAGE, NOT TEACH

Explained

how it works

Each session has a topic & a set of questions. You get a speaking partner to talk freely in a private Zoom Room. After 4-5 min, we bring you back, change the questions and the exercise starts again.
