## Clarifying

Vocabulary  
You Will Need

- You got it! So, you'll just need to go straight ahead for about two blocks, and then take a left at the traffic lights. ←
- Yup, that's right! So, you'll walk down this street, cross the bridge, and then turn right when you spot the post office. ➡
- Yes, that's the way! Just keep going straight, and in a few minutes, you'll arrive at the central square.
- Sure thing! The XXX you're looking for is the tall clock tower on your left. Can't miss it!
- No need to go back to the intersection. Just keep going straight, and you'll find the museum on your left-hand side.
- Not really... After the museum, you should walk past the park, and then you'll see a small café on your right-hand side.
