CHRISTMAS DESK DECORATING

Name of the Tradition: Christmas Desk Decorating

Explanation: Employees decorate their desks or workstations with Christmas decorations.

Country of Origin: Western countries (popular in both UK and US)

Survival Tips:

- You can team up with a colleague to decorate if you're unsure of what to do.
- Don't feel pressured to win any contest; the spirit is in participation

Cultural Hazards:

- Participating for the 1st time can be scary as you don't know the extent to which you should go. Fear not just observe the others!
- Could feel peer-pressured into participating.

CONVERSATION STARTERS:

- What inspired your desk decorations?
- Do you prefer traditional or modern Christmas decorations?
- Are you participating in the desk decorating contest?
